Mental Health Coaching

Work with your Lyra coach through regularly-scheduled sessions to better understand what's challenging you, decide what you want to work on, and plan a path forward. Choose to connect with your coach via live messaging through your mobile device or from your computer, or meet "face-to-face" over live video on a recurring basis. As you work together, you'll continue to develop your toolkit of skills and strategies to support your mental health, and build strength for lasting change.
